

Leslie Glover, President of Aspen Spa Management, the Leading International Spa Consulting Firm, Joins the Hotel Business Review Editorial Board.

FOR IMMEDIATE RELEASE

SAN FRANCISCO, CA – September 26th, 2011 -- HotelExecutive.com, the leading online hotel industry business resource, is pleased to announce that Leslie Glover, President of Aspen Spa Management, has joined the journal as a contributing editor to the publication's primary business journal, the Hotel Business Review. As part of the editorial board, Leslie will be offering the publication's readers insight and expertise in the spa and wellness sector for the global hospitality industry.

Ms. Leslie Glover is the President and Owner of Aspen Spa Management, an international spa consulting company specializing in delivering turn key spa solutions for spa developments worldwide. Aspen Spa Management, with over fifty years of international spa experience, is one of the oldest spa consulting companies and is considered the most objective spa consulting company in the world. Created in 1961 by one of the most recognized spa experts, Raoul Andrews-Sudre, Aspen Spa Management has a deep understanding and knowledge of the spa, wellness and hospitality industries. Highly recognized in the spa and hospitality fields, Aspen Spa Management provides international expertise and state-of-the-art services to spas that redefine the standards of the industry.

Ms. Glover has participated in the creation of many spa projects around the globe; ranging from large destination, resort, hotel, medical and club spas in the Americas, Africa, Asia, Europe and the Middle East. As one of the youngest executives in the spa industry, with over twelve years of "hands on" experience, she brings a youthful, dynamic, "think outside of the box" perspective to the industry at large. Ms. Glover is one of the few individuals in the spa industry who has international expertise in all facets of spa development and represents and embodies the image of the spa industry. Because she began her career in the spa industry and did not cross over from the fitness industry, she brings an authentic vision of the international spa and wellness world. Ms. Glover travels the world frequently and speaks regularly at many of the top level international trade shows and professional spa conferences. She is a frequent contributor to various media outlets and industry publications; writing articles and offering her expertise in the spa and wellness arena. Ms. Glover brings a holistic view of today's ever evolving spa industry and has the unique ability to balance cultural and environmental sensitivities with a strong understanding of the intricacies involved in spa operations.
